

EXPERIMENT TOPICS:

DS 01 Three-phase-current generator – generating three-phase current

DS 02 Three-phase current – measuring voltage

DS 03 Star connection - amperage at the central connector

DS 04 Delta connection

DS 05 Principle of the three-phase synchronous motor

DS 06 Three-phase synchronous motor

DS 07 Principle of the three-phase asynchronous motor

DS 08 Three-phase asynchronous motor

DS 09 Linear motor
